

February 17, 2017

Dear 2017 Caucus attendees:

We are honored to welcome you to the 46th Annual Legislative Conference Weekend, hosted by the New York State Association of Black, Puerto Rican, Hispanic and Asian Legislators.

We are proud to present a myriad of workshops that reflect our theme “...And Still We Rise!” We hope these workshops will give you the opportunity to learn new information on some of the most pressing issues facing New Yorkers across our State – from jobs to affordable housing; from education funding to criminal justice reform, among other issues.

Our goal is to afford you the chance to directly engage in open discussions and share your thoughts and recommendations directly with advocates and elected representatives from across all sectors of our local and state government. Moreover, we hope to equip you with tools and tactics that you can bring back to your communities to enact the changes we need.

We thank Chairwoman Michele Titus for granting us the privilege to, again, serve as the chairs for this year’s workshops. We hope you enjoy the workshops and the weekend's activities.

Sincerely,
